

geometry

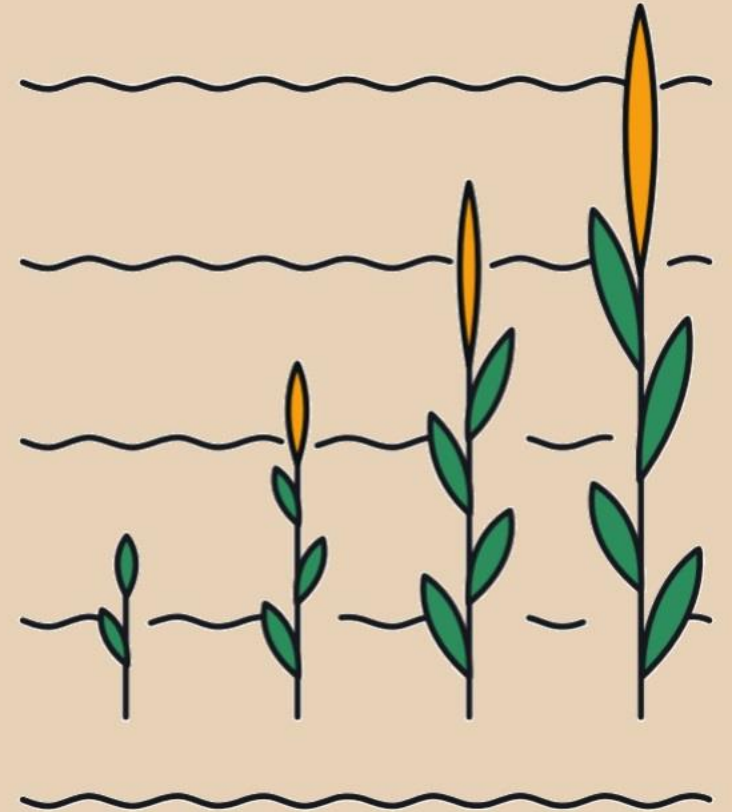

Geometry Media is an integrated media 📖 company that focuses on the creative industry. Our mission is to 🚀 enable Indonesian creative entrepreneurs in building the most impactful brands in the region with a daily dose of innovative ideas filtered into clusters of 💡 inspiration.

Our approach is to continuously discover creative businesses from across Indonesia and nurture them in a community, guided by our core values:

Honest 

Relevant 

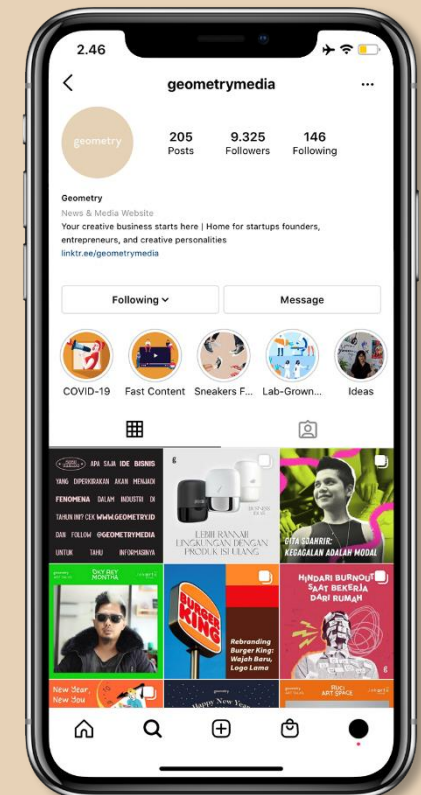

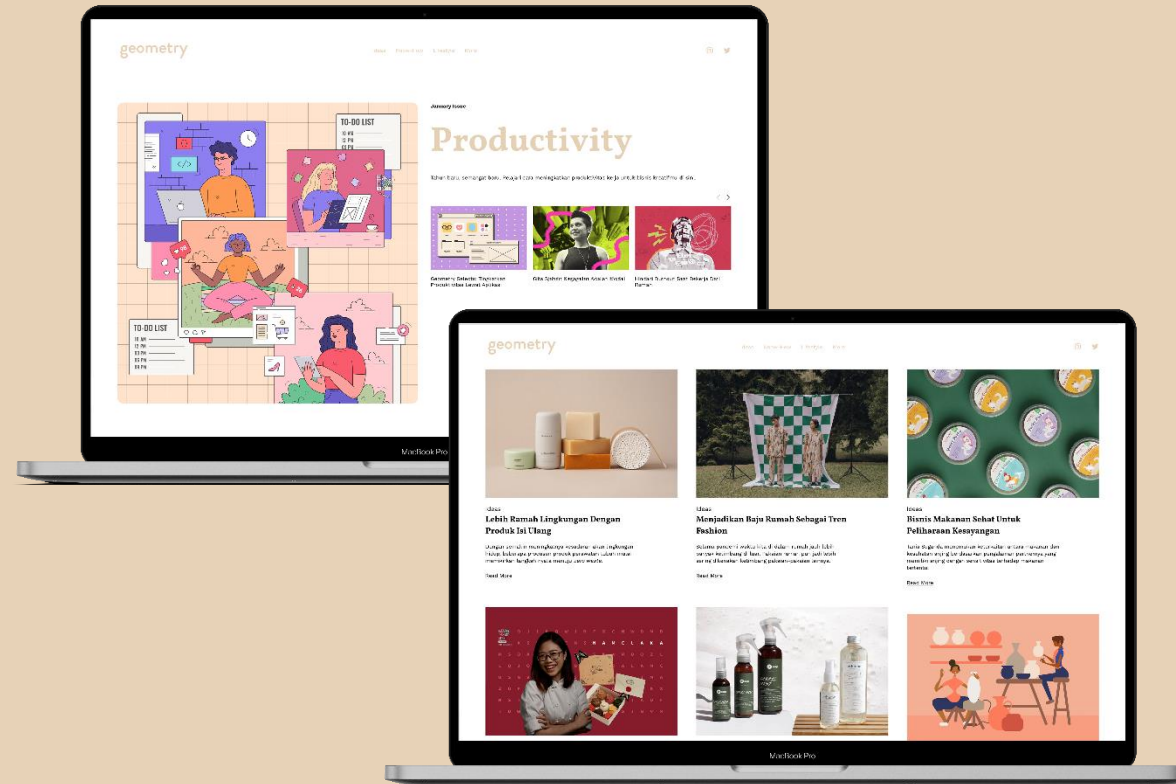

Authoritative 

Media

Geometry is a creative industry ecosystem consists of a website, social media, events, and workshops.

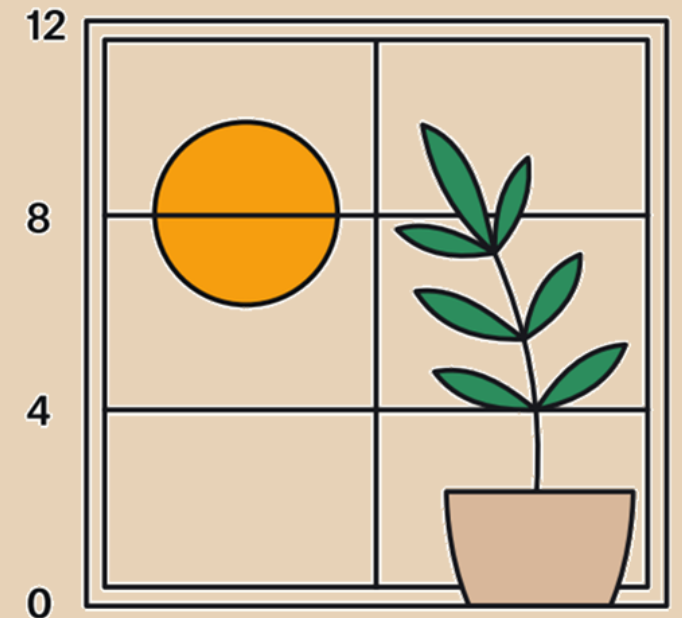

Feastin' is a modern food culture media, aspiring to create a better food ecosystem through the power of content.

Content Agency

Studio Geometry is our branded content agency where we create premium content and experiences for a wide array of clients, harnessing our portfolio to connect with audiences at scale.

What We Do

Data +
Insight 

Uncovering the audience;
what they watch, love, and
share.

Strategy 
& Execution

Big ideas from the insight.

White Label
Production 

Tailor-made creative solution
for clients' needs
